Golden Nugget

Another memorable Golden Nugget has come to a close at Club Tweed, with an outstanding finals day bringing together eight of the tournament's best players before Brianna Smith (St Johns Park) and Lee Schraner (Raymond Terrace) claimed the 2026 Golden Nugget titles.

After a week of world-class bowls, the semi-finals delivered four blockbuster match-ups featuring some of the biggest names in the sport.

🥈 Jessie Cottell (Cabramatta Bullants)

Men's Champion

🏆 Lee Schraner (Raymond Terrace)
🥈 Aron Sherriff (Broadbeach Bulls)

Smith broke through for her maiden Golden Nugget crown after a brilliant week of competition. Lee Schraner has further cemented his Golden Nugget legacy, becoming just the second man in the tournament's 40-year history to win three titles. His 2026 triumph moves him alongside Steve Glasson on three championships, with only Kelvin Kerkow's record four men's titles standing above him on the honour board.

Meanwhile, Karen Murphy remains the most successful Golden Nugget champion of all time, with an incredible five women's titles (1996, 1997, 1999, 2001 and 2003), a record that still stands more than two decades later.

Coaching with Adam

Hello everyone,

I am excited to introduce myself as the recently appointed Club Coach & Development Coordinator here at Club Tweed.

A Little About Me

I have been involved in the sport of bowls for more than 20 years and have been fortunate to achieve success at the highest level, including winning two Commonwealth Games Gold Medals and one World Championship Gold Medal.

Originally from Northern Ireland, I moved to Australia in 2022 and soon after joined Club Tweed. Bowls has always been a huge part of my life. My grandparents, parents and both of my brothers played the game, so you could say bowls was in my blood from a very young age!

My Role at Club Tweed

As Club Coach & Development Coordinator, I am responsible for coordinating all coaching activities across the club and delivering a range of training opportunities throughout the week.

Working closely with our coaching team and bowls department, my goal is to help develop a clear coaching pathway that supports players at every stage of their bowls journey. Whether you are new to the sport or a seasoned competitor.
